

Privacy policy

When you contact us by phone, email or via the contact form on our website, we ask you to provide personal information such as name, surname, telephone number, address and email address.

Your personal data is processed by TEMPCO sa, in charge of the processing, in order to provide you with an optimal service in the context of our commercial relations related to the sale or rental of products and / or services.

This information can be shared internally with our employees who are themselves required to respect the confidentiality of your personal data.

In no case will your data be sold to third parties.

You have the right to request access to your personal data, to have them rectified or deleted, to limit their processing. You have the right to their portability.

As a business enterprise, we must safeguard our legitimate interests while protecting the personal data we use. In order to promote our activities, we may legitimately use your email addresses to send you information about our products and services that may be of interest to you. You can unsubscribe at any time at the bottom of the email if you no longer want such use of your data.

The TEMPCO website uses the following cookies:

Google analytics: These cookies only produce anonymous statistics and traffic volumes, excluding any individual information. See below the Google confidentiality policy

https://business.safety.google/intl/en_en/compliance/#?modal_active=none

Prestashop: Tempco uses the Prestashop solution as a documentary platform. Your personal data is neither requested nor collected, with the exception of those freely consented to for the contact form. See below the Prestashop confidentiality policy

https://prestashop.com/privacy-prestashop-classic/?ajs_aid=d13f3bb6-d9f3-4694-95ce-c8c3864e0c38

Social media: Tempco has developed an activity on certain social media. You can consult their privacy policies below:

<https://www.linkedin.com/legal/privacy-policy>

TEMPCO sa strives to best protect your personal data by applying the following measures:

- Our employees have been informed of the importance of the protection of personal data.
- We use a username and password policy on all of our systems.
- Personal data is saved in a secure environment.

For any request concerning your personal data, you can contact us:
